

ANKIT KUMAR

DATA ANALYST | MIS EXECUTIVE

9508064542 | ankitjha7425@gmail.com | B.Tech AI & Data Science (2024–2028)

PROFESSIONAL SUMMARY

Analyzed, transformed, and visualized data using Python, SQL, Advanced Excel, and Power BI to generate actionable insights and support data-driven decision-making. **Developed interactive dashboards, automated reporting workflows, cleaned datasets, and identified business trends** through hands-on analytics projects.

TECHNICAL SKILLS

Analytics & BI	Advanced Excel, Power BI, Data Visualization, MIS Reporting
Programming & Data	Python, SQL, Pandas, NumPy
Excel Tools	Pivot Tables, Pivot Charts, Power Query, XLOOKUP, Slicers, Conditional Formatting, Advanced Formulas

PROJECT EXPERIENCE

Teen Mental Health Analysis Dashboard | Power BI

- Built an interactive Power BI dashboard using a dataset of **1,500 teens** to analyze mental health trends.
- Transformed raw data into meaningful visualizations and generated actionable insights through interactive reporting.

Sales Performance Dashboard | Advanced Excel

- Developed an interactive sales dashboard to **analyze and monitor** revenue, profit, regional sales, and customer trends.
- Leveraged Pivot Tables, Pivot Charts, Power Query, XLOOKUP, slicers, conditional formatting, and advanced formulas.
- Automated reporting processes and streamlined performance analysis to improve business insight generation.

Teen Mental Health Data Analysis | Python, Pandas & NumPy

- Cleaned, processed, and transformed raw datasets using Python, Pandas, and NumPy.
- Performed statistical analysis and data visualization to identify trends and extract actionable insights.
- Applied data transformation techniques to improve data quality and analysis readiness.

Web Content Summarizer | Python

- Developed a Python-based web scraping application to extract and process web content.
- Implemented automated content summarization to convert extracted information into concise summaries.

EDUCATION

B.Tech in Artificial Intelligence & Data Science | Sagar Institute of Research and Technology – Excellence | 2024–2028

- CBSE Class XII – 68% | 2023
- CBSE Class X – 91.8% | 2021

CORE STRENGTHS

Data Analysis • Dashboard Development • MIS Reporting • Data Cleaning • Data Visualization • Problem Solving • Attention to Detail
